The **U.S. Master Tax Guide** provides complete coverage of federal tax information.

Explanations written by expert CCH editors offer concise and reliable interpretation of the federal tax laws.

Time-saving practice tools include a tax calendar, taxpayer specific return flowcharts, rate tables, checklists and depreciation tables to help you find information quickly and show you how the latest rules apply.

The exclusive CCH Quick Tax Facts card provides an at-a-glance reference to key tax figures.

Top Tax Issues Course analyzes the most significant new developments and offers practitioners 18 hours of CPE credit.

Cross references to the Internal Revenue Code, Income Tax Regulations, the Standard Federal Tax Reporter and the Federal Tax Guide ensure that you know where to find in-depth coverage when you need it.
